Erasmus+ Programme
of the European Union

Universitat d'Alacant
Universidad de Alicante

Project Acronym: ENHANCE

Project Title: strEngthening National researchH And iNnovation Capacities in viEtnam

Contract Number: 2015-3574/001-001

Project Reference Number: 561749-EPP-1-2015-1-ES-EPPKA2-CBHE-SP

Venue: HALL RCRD, AN GIANG UNIVERSITY (AGU), VIETNAM

Expected results

After this workshop, participants shall be able:

1. In order to spread out the spirit of ENHANCE, AGU will hold 6 training replications to all stakeholders to AGU ENHANCE. Each of these will present both theory and practices from the world and Vietnam as well.

Module 4 will cover with sub-topics:

- *Research Evaluation 2*- its impact on management, innovation and implementation in practice

After the training, participants should be able to:

1. To get general information about:
 - understand the models and structure of Research Evaluation in EU countries.
 - Understand advantages and disadvantages of creation of spin-off unities in academic and research sphere.
 - To introduce spin-off success case studies, their developing strategies for business engagement.
2. To know more about models form #1 in the world, especially from ENHANCE foreign partners: UA, GCU, STUBA and VIET's partners
3. To link the new concepts and practices to the participants' fields in implication afterwards.
